The following information will be used to create a program for the Chili Cook-off attendees (excluding contact information). Since the People's Choice (chili with the most votes from the general attendees) will be the overall winner of the Cook-off, receiving both the $100 cash prize and bragging rights. Feel free to give yourself character to attract interest, the name of your chili, as well as any back-story to its origins or creation will help give this competition extra "flavor."

Entrants are responsible for providing 2 gallons (8 quarts) of chili for tasting. The chili must be made ahead of time. Entrants are asked to provide crockpots and/or warming devices to serve their chili in. If the cook does not have an appropriate warming dish, then the Ladies' Auxiliary will supply a warming chafer. These quantities are limited. The committee will do their best to coordinate with the chili cooks to accommodate the needs of the entrants.

If you have any questions or comments, feel free to contact Loretta Jorden at lwjorden@hotmail.com or by cell phone 410-533-1901. The $20 Entry fee is to be paid to the Ladies Auxiliary of the Fleet Reserve via check or cash. Mail Entry Forms and fee to **Loretta Jorden: 2825 Whitehouse Road Riva, MD 21140. SUBMITION DEADLINE: February 4th** or leave the information at the Fleet Office. Each entrant receives 1 spoon and 1 set of voting tickets regardless if it's a team entry. Additional information will be distributed to entrants after the entrant deadline.

Please provide the following information:

Name of Cook/Entrant: _____

Email: _____ Phone Number: _____

Are you a Fleet Reserve member?   Yes ☐   No ☐

If not, who is your sponsor (must be a Fleet Member)? _____
