

The following information will be used to create a program for the Bake-Off attendees (excluding contact information). Since the People's Choice (dessert with the most votes from the general attendees) will be the overall winner of the Bake Off, receiving both the \$100 cash prize and bragging rights. Feel free to give yourself character to attract interest, the name of your dessert, as well as any back-story to its origins or creation will help give this competition extra "flavor."

Entrants are responsible for providing 100 (or more) bite size portions for tasting. We typically get between 100-150 attendees and you want to have enough tastes to go around! You only need a little bite to get your skill across though, not a full-size dessert portion. The committee will do their best to coordinate with the dessert bakers to accommodate the needs of the entrants.

If you have any questions or comments, feel free to contact Loretta Jorden at [lwjorden@hotmail.com](mailto:lwjorden@hotmail.com) or by cell phone 410-533-1901. The \$20 Entry fee is to be paid to the Ladies Auxiliary of the Fleet Reserve via check or cash. Mail Entry Forms and fee to **Loretta Jorden: 2825 Whitehouse Road Riva, MD 21140.**  
**SUBMITION DEADLINE: February 4th** or leave the information at the Fleet Office. Each entrant receives 1 spoon and 1 set of voting tickets for both the Chili Cook Off and the Dessert Bake Off regardless if it's a team entry. Additional information will be distributed to entrants after the entrant deadline.
